PineSheet ERP Management WebApp

NextJS | Supabase | Vercel | Google Authentication | Resend

The landing page for PineSheet's All-in-One Dashboard. It features a large green header with the text "All In One Dashboard for your Expense". Below this, there's a sub-headline: "Stop the excel formula and template confusion. Manage your business in one place." A prominent green button labeled "Create Free Account →" is centered. At the bottom, there are three customer reviews with 5-star ratings and a "Create Free Account" button.

Cravings Catering Platform

NextJS | Supabase | Vercel | Framer | Resend

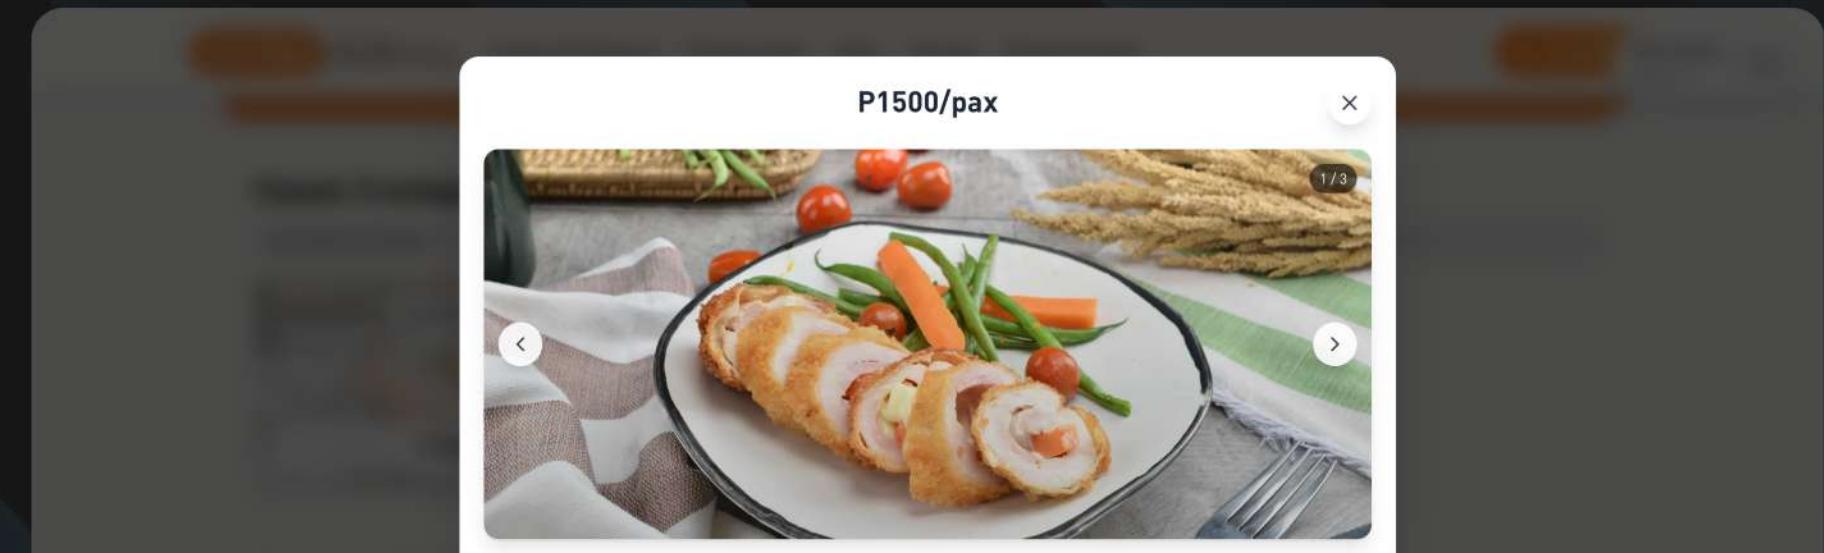

The screenshot shows the homepage of the Cravings Catering website. At the top, there's a navigation bar with links for "Events & Catering", "Packed Trays", "Gifts", "Venues", and "Blog & Articles". A prominent orange button labeled "Contact Us" is located in the top right corner. Below the navigation, a banner features the text "ELEVATE YOUR EVENTS WITH Cravings Catering" and "SINCE 1988". It includes a photo of various catered dishes like a turkey, lasagna, and fruit tarts. A "Get a Quote" button is at the bottom left. The footer contains the same navigation links as the header.

The screenshot shows the admin login interface for the Cravings Catering platform. It features a green circular icon with a checkmark and the text "Admin Access Granted". Below it, it says "You are logged in as admin" and "leejejune@gmail.com". There are two buttons: an orange "Go to Website" button and a grey "Sign Out" button. Underneath, a section titled "Admin Features:" lists three items with green checkmarks: "Edit text directly on pages", "Hover over text to see pencil icons", and "Changes save automatically".

The screenshot shows a blog post from the Cravings Catering website. The title is "Fresh Perspectives on Catering Excellence". A "Catering Insights" button is visible above the title. The main image in the post shows a dish of chicken roulade with vegetables. The footer contains the same navigation links as the other pages.

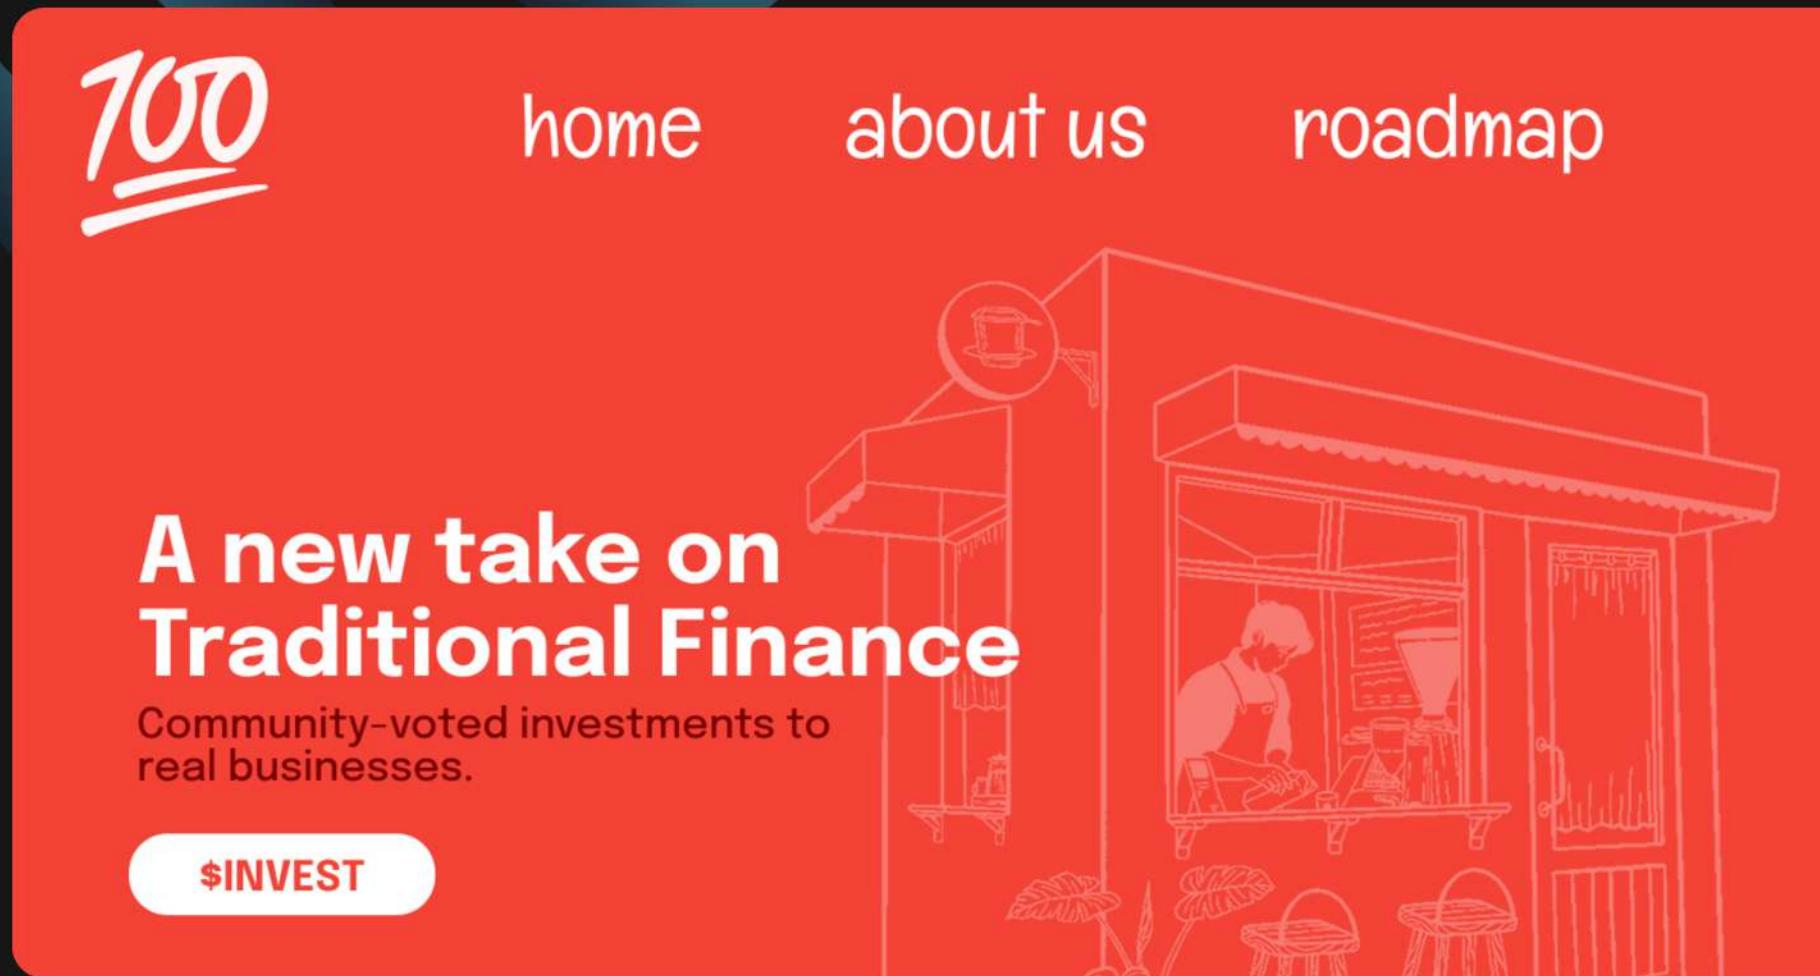

The screenshot shows a product detail page for a dish. The price "P1500/pax" is displayed at the top. Below it is a large image of the dish, which appears to be a chicken roulade with various toppings. Navigation arrows are visible on either side of the main image.

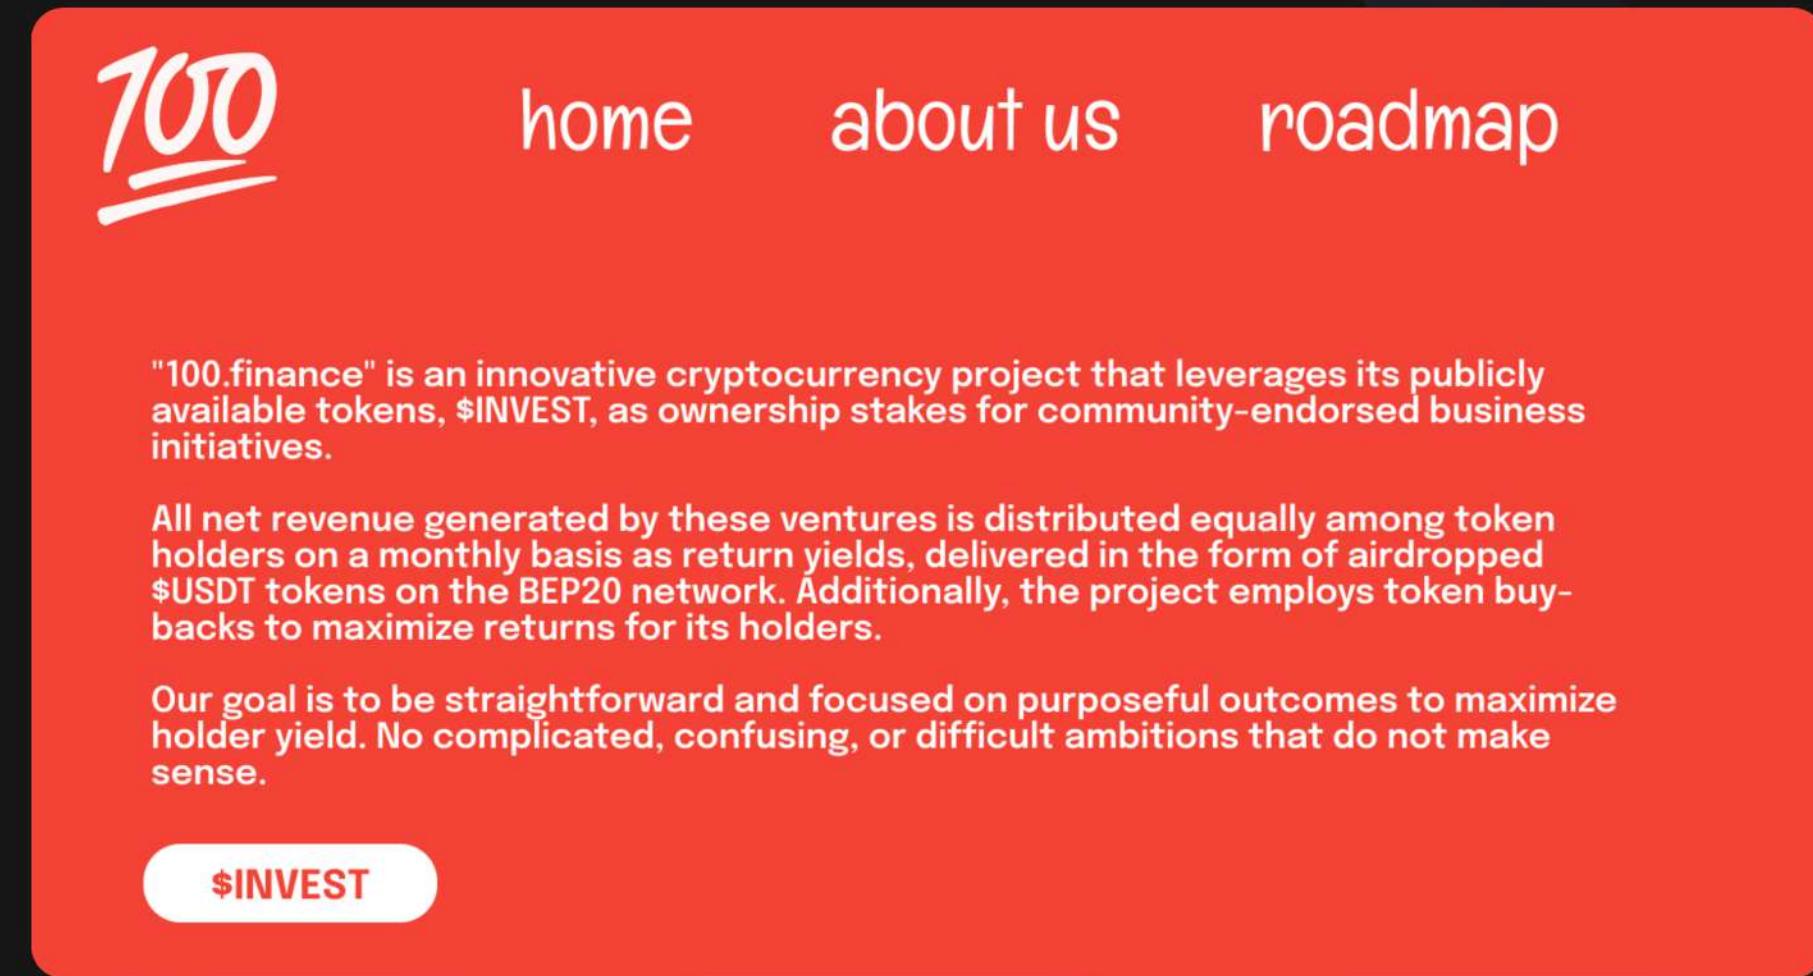

Our Work

100Finance NextJS | Vercel

The home page features a large white "100" logo on the left. The main heading is "A new take on Traditional Finance". Below it is a sub-headline: "Community-voted investments to real businesses." A red "INVEST" button is at the bottom left. To the right is a white line drawing of a coffee shop interior with a person working at a counter and a megaphone icon above it. The top navigation bar includes links for "home", "about us", and "roadmap".

The about page has a similar layout with a white "100" logo on the left. It contains descriptive text about the project's goals and operations, including mentions of token distribution and buy-backs. A red "INVEST" button is at the bottom left. The top navigation bar includes links for "home", "about us", and "roadmap".

Checking reviews can be a hassle

Simplify Your Decision-Making Process

- Convenience**
Consumers are often overwhelmed by the abundance of reviews scattered across different platforms. Save time!
- Advertising Opportunities**
Explore advertising opportunities with businesses looking to promote their products or services to a wider audience.
- User Engagement**
Users can contribute their own reviews and interact with others to create a sense of community.
- Insights**
Aggregated review data can provide valuable insights into consumer preferences, trends, and sentiment. Make informed decisions!

30 minutes spent by customers to search and make a decision

10/100 struggle to identify areas for improvement based on scattered or insufficient feedback.
